

**TACKLING LITERATURE WITH EASE**

Do you ever feel that no matter what you write in a literature essay, it is never quite enough to get you the desired grade? Literature in school is usually regarded as a less-desired subject, as there seem to be fewer certainties in scoring high grades. This course aims to arm the student with a few tools and tips to better handle literature with ease.

**Our Objectives**

We aim to

- provide you with skills to better tackle literature as a subject
- increase enjoyment in handling and exploring literature as an academic subject

**Your Profile**

This course would benefit Secondary school students wishing to better handle literature as a school subject.

**Your Results**

At the end of this course, you will learn to

- appreciate the skills required to tackle literature as a subject
- use tips and tools to answer literature essay questions

**Our Methods**

We firmly believe that a hands-on and interactive approach would best benefit students tackling literature, in order to increase the level of comfort with the subject.

**Our Trainers**

Our trainers are all qualified and highly experienced lecturers from SP.

Please note that we only specialise in customising courses for organisations; public courses for individuals are not available.
