SINGAPORE POLYTECHNIC BUSINESS COMMUNICATION CENTRE

WE WANT TO LEARN!

The potential for every child to learn exists within him. How is this potential unleashed without damaging the thirst for learning? In this course, learners will be able to pick up tips and techniques for motivating learning and closing the learning gap.

Our Objectives

We aim to

- facilitate the identification of barriers to learning
- enhance recognition of strategies to motivate learning
- encourage the application of these strategies to everyday learning

Your Profile

This course is suitable for Secondary school students and above who want to gain new insights into learning.

Your Results

At the end of this course, you should be able to:

- Identify some difficulties faced in learning today
- Understand how some learning strategies work in motivating learning
- Apply these strategies to everyday learning

Our Methods

There will be plenty of hands on activities such as class discussions and role plays to make this course an enjoyable learning experience.

Our Trainers

Our trainers are all qualified and highly experienced lecturers from Singapore Polytechnic.

Please note that we only specialise in customising courses for organisations; public courses for individuals are not available.
