

Graduate Quantity Surveyor

Headquartered at Vittorio Veneto, Permasteelisa is a leading Italian company focused on the design, project management, engineering, manufacturing, and installation of architectural envelopes and interior systems.

We have exciting positions for Graduate Quantity Surveyors. With opportunities to work with Tender, Commercial, Design and Procurement professionals in a world-class organization, this role offers a chance to kick start your career in Quantity Surveying.

With the purpose of obtaining commercial, technical and legal inputs to formulate bids that meet clients tender requirements, you will be developed to:

- Review initial terms, conditions and ITT documentation
- Take off quantities, and source sub-contractors and suppliers
- Prepare qualifications, clarifications and limitations
- Liaise with the Procurement team to ensure suitable enquiry packages are issued
- Price, prepare and present tender submissions to potential clients
- Play a full role in contract documentation and negotiations

As a firm believer of job design, you will also have the opportunity to undergo job rotation and undertake post-contract commercial duties. Throughout your career at Permasteelisa, you will be exposed to multiple large-scale projects. The opportunity to interface with a variety of clients and industry professionals is guaranteed to offer career development and advancement.

Desired Skills and Experience

- Possess a degree or diploma in quantity surveying, building, construction management or equivalent
- Minimum 1 year working experience in quantity surveying would be an advantage. Fresh graduates are welcome as training will be provided.
- Detailed with excellent problem solving skills, proactive and good team player
- Confident and able to work under pressure in order to meet tight deadline
- Able to converse and understand English and Mandarin to communicate with Chinese-speaking associates

If this opportunity to develop into a professional Quantity Surveyor excites you, we welcome you to put forward your application by sending a detailed resume to sg.careers@permasteelisagroup.com.
