

DIPLOMA IN BANKING AND FINANCE

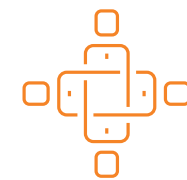

(DBKF – S76)

If you have the burning desire to be part of the financial sector and acquire specialist knowledge and skills related to banking, monetary and financial operations, the Diploma in Banking and Finance (DBKF) course is your perfect choice. The finance industry plays a vital and integral role in the global economy. The DBKF course prepares you to be a professional in the banking and finance industry.

EXPERIENCE AN EXCITING LEARNING JOURNEY

You will be equipped with fundamental business skills, IT and communication skills, and various qualities required in the working world. Electives such as Advanced Modules, Diploma-Plus Certificate Programmes, and Multi-Disciplinary Projects are offered to students to realise their full potential.

ENJOY STRONG INDUSTRY SUPPORT

We have been working with many distinguished establishments such as the Monetary Authority of Singapore, SGX, DBS, UOB, OCBC, Great Eastern Life and Prudential, for students to develop themselves through internship, industry/client-based projects, workshops and seminars.

“SP has been integral in transforming my education. In SP, I didn’t just learn to be better at my trade. I was given great opportunities to explore beyond my field of study and develop skills that made me ready for working life and further education. The dedicated lecturers at SP are also genuinely concerned for my well-being beyond academic success. This is the place to learn how to be a world-ready leader.”

Rebekah Tay

DBKF Gold Medallist, Class of 2016
