

SPEAKING WITH CONVICTION

To be successful, we often need to speak in groups, big and small, in public. But many find it stressful to do so. This practical workshop is designed to help speakers overcome their fear of public speaking. It will help their self confidence as well.

Our Objectives

We aim to

- help you overcome your nervousness, build rapport with your audience and increase your confidence in making speeches
- facilitate the organisation, drafting and delivery of speeches using your voice, visual aids and non-verbal language appropriate to the audience, purpose and event.
- boost your ability to speak persuasively and with conviction

Your Profile

This course is suitable for managers, professionals, senior executives and all who wish to hone their public speaking skills

Your Results

By the end of the workshop, you will be able to

- assess and analyse your speech situation, goal and audience
- research your speech topic
- organise and draft your speech
- use various strategies to add interest to your speech (e.g. visual aids, humour)
- use appropriate verbal and non-verbal language and gestures
- use your voice to persuade and convince
- establish and maintain rapport with the audience

Our Methods

There will be various hands-on activities which include

- Highly interactive practice & coaching sessions
- Video recordings
- Facilitator and peer feedback on performance
- Small class size

Our Trainers

Our trainers are qualified and very experienced Singapore Polytechnic lecturers with specialised language training qualifications.

Please note that we only specialise in customising courses for organisations; public courses for individuals are not available.
