Interbank GIRO (IBG)

Payment of Fees for billings After Enrolment

All students are to participate in the IBG Scheme which is an easy and convenient way to pay your fees. The IBG form is to authorise Singapore Polytechnic (SP) to deduct the fees payable by you directly from your authorized bank account through GIRO.

The same GIRO account will be used for crediting any refund or payment due to you, which effectively reduces the inconvenience of collecting and depositing cheques. Refund or payment can be for any of the following matters:

- Excess payment of fees made by you;
- Scholarships and Bursaries awarded; and
- Any other payment due to you.

If you are applying for Financial Scheme such as PSEA, you also need to submit this form. As the scheme may not be able to cover your fees (Tuition and Other fees) in full, the remaining outstanding fees for the 1st semester (if any) and subsequent semesters will be deducted by GIRO.

Application

- Complete Part I of the “IBG Application Form”. You may use your own/parent’s/guardian’s bank account.
- Ensure the signature(s) on the Application Form is/are the same as in the bank records.
- For account operated using thumbprint, you have to go to the bank with your identification to have your thumbprint verified.
- Submit the completed form to Student Service Centre or SP Finance Department.
- SP will forward your application to your designated bank for approval.
- Trust accounts are not eligible for GIRO deduction.
