Information in this guide is correct at the time of publication. SP reserves the right to amend the scale of fees or any other information without prior notice.
You must state your citizenship status correctly during enrolment as this will determine the course fees that you have to pay.

Students who inform SP of their change of citizenship to Singapore Citizen or Singapore Permanent Resident (PR) status after the commencement of a semester, will pay the fees for Singaporean or Singapore Permanent Resident with effect from the next semester.

The tables below show the Course Fees for Full Time Diploma and Polytechnic Foundation Programme are subjected to changes for Academic Year 2023/2024. The fees are inclusive of the prevailing 8% GST, where applicable. Fees inclusive of GST will be adjusted on 1 January 2024, based on 9% GST.

Payment of Fees for Billings after Enrolment

All students are strongly encouraged to participate in the IBG Scheme which is an easy and convenient way to pay your fees. The IBG arrangement is to authorise Singapore Polytechnic (SP) to deduct the fees payable by you directly from your authorized bank account through GIRO.

The same GIRO account will be used for crediting any refund or payment due to you. Refund or payment can be for any of the following matters:

- Excess payment of fees made by you;
- Scholarships and Bursaries awarded; and
- Any other payment due to you.

If you are applying for any Financial Schemes such as Mendaki-TTFS, SFC, PSEA, CPF –AES and/or TFL, you also need to submit this application. As the schemes may not be able to cover your fees (Tuition and Other fees) in full, the remaining outstanding fees for the 1st semester (if any) and subsequent semesters will be settled via GIRO deduction.
