What is Tuition Grant (TG)?

The Singapore Government subsidises a substantial portion of the total tuition fees payable for your full-time diploma course at the Polytechnic. This subsidy is known as the Tuition Grant (TG).

TG for full-time diploma programme is capped at maximum allowance of 10 semesters.

For Diploma in Nautical Studies and 2nd-Year Direct entry students, the numbers of semesters that you will be eligible for TG will be capped at 8 semesters.

In return for the Government subsidy received under the Scheme, non-Singapore students, including Singapore Permanent Residents, are required to sign a TG Agreement. These students will be contractually obliged to work for Singapore-based companies for 3 years upon graduation. Students who reject or are not eligible* for TG will (i) have to pay the non-subsidised tuition fees including the prevailing 7% GST, and (ii) not be eligible to apply for the Financial Schemes.

Students who have received TG subsidy from any Singapore Government subsidised institution of Higher Learning, and before graduation, take up a new course at a polytechnic, will be eligible for TG subsidy for the semesters in their new course less the number of subsidised semesters for which they had previously enjoyed TG.

Students who have graduated from a Singapore Government subsidised diploma or degree course are not eligible for Tuition Grant.
