Interbank GIRO

Payment of Fees for Billings After Enrolment

All students are to participate in the IBG Scheme which is an easy and convenient way to pay your fees. The IBG form is to authorise Singapore Polytechnic (SP) to deduct the fees payable by you directly from your authorized bank account through GIRO.

The same GIRO account will be used for crediting any refund or payment due to you, which effectively reduces the inconvenience of collecting and depositing cheques. Refund or payment can be for any of the following matters:

- Excess payment of fees made by you;
- Scholarships and Bursaries awarded; and
- Any other payment due to you.

If you are applying for any Financial Schemes such as Mendaki-TTFS, CPF –AES and/or DBS-TFL, you also need to submit this form. As the schemes may not be able to cover your fees (Tuition and Other fees) in full, the remaining outstanding fees for the 1st semester (if any) and subsequent semesters will be deducted by GIRO.

Application

- Complete Part I of the “IBG Application Form”. You may use your own/parent’s/guardian’s bank account.
- Ensure the signature(s) on the Application Form is/are the same as in the bank records.
- For account operated using thumbprint, you have to go to the bank with your identification to have your thumbprint verified.
- Submit the completed form to Student Service Centre or SP Finance Department.
- SP will forward your application to your designated bank for approval.
- Trust accounts are not eligible for GIRO deduction.
Interbank GIRO (IBG) - Application Status

You may check the GIRO application status online via Student Mobile @ https://portal.sp.edu.sg/sites/eservices/HomePage.aspx

Select “Finance Matters” > “Giro Account” and Enter “User ID & Password”.

Termination /Change of GIRO account

You are required to submit SP’s “Termination of IBG form” and visit the designated Bank to terminate your existing IBG arrangement if you do not wish to maintain the record with the Bank. For change of GIRO account, you are required to submit a new IBG form.
What is Tuition Grant (TG)?

The Singapore Government subsidises a substantial portion of the total tuition fees payable for your full-time diploma course at the Polytechnic. This subsidy is known as the Tuition Grant (TG).

TG for full-time diploma programme is capped at maximum allowance of 10 semesters.

For Diploma in Nautical Studies and 2nd-Year Direct entry students, the numbers of semesters that you will be eligible for TG will be capped at 8 semesters.

In return for the Government subsidy received under the Scheme, non-Singapore students, including Singapore Permanent Residents, are required to sign a TG Agreement. These students will be contractually obliged to work for Singapore-based companies for 3 years upon graduation. Students who reject or are not eligible* for TG will (i) have to pay the non-subsidised tuition fees including the prevailing 7% GST, and (ii) not be eligible to apply for the Financial Schemes.

Students who have received TG subsidy from any Singapore Government subsidised institution of Higher Learning, and before graduation, take up a new course at a polytechnic, will be eligible for TG subsidy for the semesters in their new course less the number of subsidised semesters for which they had previously enjoyed TG.

Students who have graduated from a Singapore Government subsidised diploma or degree course are not eligible for Tuition Grant.

For more information on TG terms and conditions, including the bond obligations, visit https://tgonline.moe.gov.sg/tgis/normal/studentViewTuitionGrantSubsidyInfo.action
