# GRADUATION 2019

*Our Graduates. Our Pride.*

The bottom of the page features several overlapping, wavy bands in various shades of red and orange, creating a dynamic, layered effect.

## About SP

The Singapore Polytechnic was first established on 27 October 1954, with the passing of the Singapore Polytechnic Act. It was the first polytechnic to be set up in the country. Its main campus at Dover Road occupies a 38-hectare site.

The Polytechnic's mission is to be a future-ready institution that prepares our learners to be life ready, work ready and world ready.

## Graduate Output

A total of 5,621 graduands will receive their diplomas, advanced diplomas, specialist diplomas and certificates at the SP's 59<sup>th</sup> Graduation Ceremony.

Of this total, 4,389 were from the full-time and 1,232 were from the part-time courses.

With this year's batch of graduates, the Poly would have produced more than 206,000 graduates.
