

The background of the poster is a dark red color. It features a large, stylized graphic of a graduation cap (mortarboard) in the center, formed by a grid of small, light red dots. The cap is tilted, with the top edge curving upwards and the base curving downwards. The text is centered on the cap.

SINGAPORE POLYTECHNIC

2022

GRADUATION

Our Graduates. Our Pride.

About SP

The Singapore Polytechnic was first established on 27 October 1954, with the passing of the Singapore Polytechnic Act. It was the first polytechnic to be set up in the country. Its main campus at Dover Road occupies a 38-hectare site.

The Polytechnic's mission is to be a future-ready institution that prepares our learners to be life ready, work ready and world ready.

Graduate Output

A total of 6,087 graduands will receive their diplomas, advanced diplomas, specialist diplomas and certificates at the Graduation Ceremony 2022.

Of this total, 4,300 were from the full-time and 1,787 were from the part-time courses.

With this year's batch of graduates, the Poly would have produced more than 224,000 graduates.
