### PRODUCTIVITY SOLUTIONS GRANT (SkillsFuture Training Subsidy) PSG (SFTS)

The PSG (SFTS) is part of the government’s effort to support enterprises in upskilling their workforce as part of their productivity improvement and transformation efforts. Enterprises that qualify for the Productivity Solutions Grant (PSG) can apply for an additional training grant under the PSG (SFTS) from 1 Jul 2019 to 31 Mar 2023.

The PSG (SFTS) covers up to 70% of out-of-pocket training expenses, capped at $10,000 per company. It is over and above existing government training subsidies and also on top of the sector-specific grant cap for the PSG pre-scooped productivity solutions.

More information about the PSG and how companies can be part of this, please refer to [https://www.smeportal.sg/content/tech-depot/en/psg.html](https://www.smeportal.sg/content/tech-depot/en/psg.html).
UNION TRAINING ASSISTANCE PROGRAMME (UTAP)

UTAP is a training benefit for NTUC members to defray their cost of training. This benefit is to encourage more NTUC members to go for skills upgrading.

NTUC members enjoy 50% *unfunded course fee support for up to $250 each year when you sign up for courses supported under UTAP.

*Terms and conditions apply. Participants must be paid-up NTUC Members with no arrears in membership fees before course commencement and throughout the whole course duration.

*Unfunded course fee refers to the balance course fee payable after applicable government subsidy. This excludes GST, registration fees, misc. fees etc.

For more information, please call NTUC Membership hotline at 6213 8008 or email UTAP@e2i.com.sg or refer to website (http://skillsupgrade.ntuc.org.sg).

NATIONAL SILVER ACADEMY (NSA)

The National Silver Academy (NSA) is a network of post-secondary education institutions (PSEIs) (i.e. ITE, polytechnics and universities and arts institutions) and voluntary welfare organisations (VWOs) that offer learning opportunities for seniors. Beginning June 2016, seniors aged 50 and above can look forward to attending:

Click here for all courses offered by PACE.

SHORT COURSES
These courses are in areas which are more life-skills rather than work-skills oriented. These will be beyond the range of part-time courses currently provided by the PSEIs for purposes of work and upgrading.

Eligible seniors aged 50 above will receive a subsidy of up to 50% off the course fee. (capped at $500 per course)

EXAM-FREE MODULES
These modules are drawn from existing full-qualification programmes offered by ITE, polytechnics and the universities for a token fee. Seniors may attend these modules alongside regular students who are taking these modules for credit i.e. to earn a certificate like a degree or diploma, but while the regular students need to sit for the exams, seniors do not.

AD HOC LEARNING OPPORTUNITIES
These are programmes such as the intergenerational learning programme which pairs students with seniors to learn about selected topics. Other programmes include short talks offered by our PSEIs and VWOs targeted at seniors.

Find out more about National Silver Academy at www.nsa.org.sg

Applicants who make a false declaration to enjoy the discount will be subjected to paying up to the full course fee and/or be legally persecuted.

MARITIME CLUSTER FUND (MCF)

MCF Training Grant of 50% is available for eligible Singaporeans and Singapore Permanent Resident participants. Please refer to www.mpa.gov.sg/mcf for information.
