Programmes and Activities

SPEF continually receives donations from regular and new donors. Our donors are individuals, organizations, foundations and SP alumni members/graduates who have an objective to contribute towards education.

Donations received are used for scholarships, bursaries, book prizes, needy fund and financial support where the beneficiaries are needy and/or deserving students.

SP Financial Assistance (FA) schemes (i.e. scholarships/bursaries/needy fund etc) are publicized to SP students through the following channels including:

- E-postcards emailed to parents/guardians and students
- Application details pushed to students’ phone via the SP Mobile Application
- Application details pushed to students via SP Social Media platforms (Facebook and Instagram)
- Application details on SP website and SP Student Learning Management System
- Engagement of Schools’ Personal Tutors to help disseminate details of FA schemes to their students
- FA banners with application details placed in prominent areas within the campus such as Library and Student One Stop Centre
Summary of Financial Performance

Total Receipt: $31.272m (Previous Year: $3.337m)
The increase against the previous year was mainly due to a transfer of $23m from Singapore Polytechnic to SPEF’s endowed capital to enhance financial support for our students. In addition, investment income was higher in a rising interest rate environment during the year.

Total Expenditure: $4.003m (Previous Year: $2.701m)
The increase against the previous year was mainly due to increased financial assistance provided to needy students amid an inflationary environment.

Donations Received as part of the Total Receipt: $2.471m (Previous Year: $1.314m)

The assets of SPEF are interest bearing financial instruments with the intent of generating income to support programmes and activities carried out in accordance with the objectives of SPEF.

Future Plans and Commitments

SPEF plans to enhance the financial support provided to students from the lower income tiers to help alleviate inflationary pressures.

Management of Conflicts of Interest and Whistle-Blowing Policy

All SPEF Board members are required to sign a Declaration of Conflict of interest at the beginning of their appointments and provide updates where there are changes.

The Whistle-blowing policy is under the purview of a SP Board of Governor’s Standing Committee, the Audit Committee and is available in the Staff Handbook.
Management of reserves

The Charity Code of Governance requires that the charity/IPC should maintain some level of reserves to ensure its long-term financial sustainability.

The “reserves” refers to the portion of a charity's income funds that is freely available for its operating purposes not subject to commitments, planned expenditure and spending limits. Reserves do not include endowment funds, restricted funds and designated funds.

For SPEF, reserves of $2,750,000 was set aside to provide for student bursary disbursement for one year.
