

SINGAPORE POLYTECHNIC

— 2017 —
GRADUATION

Our Graduates, Our Pride.

About SP

The Singapore Polytechnic was first established on 27 October 1954, with the passing of the Singapore Polytechnic Act. It was the first polytechnic to be set up in the country. Its main campus at Dover Road occupies a 38-hectare site.

The Polytechnic's mission is to be a future-ready institution that prepares our learners to be life ready, work ready and world ready.

Graduate Output

A total of 5,725 students graduated in the 2016/2017 academic year. At this graduation, a total of 5,393 graduands will receive their diplomas, advanced diplomas, specialist diplomas and certificates. These comprise 4,925 from the full-time and 468 from the part-time courses. Another 332 part-time students received their certificates at a ceremony in November 2016.

With this year's batch of graduates, the Poly would have produced close to 196,000 graduates.
