

WRITING THAT GENERAL PAPER

The essay component in GP is often seen as demanding, with its strong emphasis on knowledge of content as well as structure to convey the argument. This course aims to help the student work through the skills required for writing GP essays, so as to better enable confidence in writing that General Paper.

Our Objectives

We aim to

- facilitate understanding of the basic essay-writing skills and build confidence in applying these skills in GP
- encourage the practice of the basic essay-writing skills applicable in GP

Your Profile

This course would benefit students currently doing GP or about to embark on GP studies.

Your Results

At the end of this course, you will learn to

- construct your argument logically and convincingly
- structure and substantiate your argument relevantly
- edit and fine-tune your GP essay

Our Methods

We firmly believe that students will need to be involved to best learn the writing skills required for GP. Hence, the course engages a variety of interactive exercises for students to gain the most benefit possible.

Our Trainers

Our trainers are all qualified and highly experienced lecturers from SP.

Please note that we only specialise in customising courses for organisations; public courses for individuals are not available.
