Home Student Login Grant Information

The Tuition Grant Scheme (TGS) was introduced by the Government to subsidise the high cost of tertiary education in Singapore. The TGS is currently open to students enrolled for full time undergraduate/diploma courses (subject to guidelines under existing policy). In exchange for Government subsidy received under the TGS, all non-Singaporean students (including Singapore Permanent Residents), are required to sign a TG agreement in which they will be contractually obliged to work in Singapore for a minimum period of 3 years upon graduation.
