Notes:

- s1 Applicants must ensure that they do not suffer from colour vision deficiency.
- s2 Applicants must ensure that they do not suffer from either colour vision deficiency or hearing deficiency.
- s3 Applicants suffering from epilepsy will be referred by the medical panel to a Designated Workplace Doctor who will assess their fitness for courses.
- s4 Applicants suffering from impairments must be prepared to appear for interviews and to undergo any manual dexterity or aptitude tests.
- s5 Applicants must possess at least grade point average (GPA) of 3.0, if shortlisted, applicants would be required to attend and pass an aptitude test cum interview with portfolio review.
- s6 Applicants must ensure that they have good eyesight (i.e. visual acuity unaided of 6/60 in both eyes and with visual aids of 6/6 in the better eye and at least 6/9 in the other eye). Applicants must also not suffer from vision deficiency. Applicants must show proof of having passed the Maritime and Port Authority of Singapore (MPA) Sight Test which is conducted at the Singapore Polytechnic Optometry Centre or by General Practitioners. All applicants must be sponsored by a Singapore shipping company. Shortlisted candidates will be required to attend an interview conducted by the Singapore Maritime Academy. International students are required to find a Singapore shipping company of their choice that is prepared to offer them an internship for phase 2 of this course.
- s7 Those with GPA of 3.5 or more and passed the Bridging Maths 1 (BM1) programme may be admitted to the 2nd year of a 3 year course.
