

IMPROVING YOUR PRONUNCIATION

Do you struggle with your pronunciation at times? Do you get confused when the same word may be pronounced in many ways and you do not know which would be appropriate? Do you get caught in situations when people misunderstand you because of your mispronunciation? Do you know how to read the phonetic symbols in the dictionary?

Our Objectives

We aim to

- enable understanding of the importance of good and correct pronunciation
- deliver the skills of using phonetic symbols as a guide to correct pronunciation

Your Profile

This course is suitable for all who need to use English for communication at the workplace.

Your Results

At the end of this course, you will learn to

- use and read phonetic transcriptions in the dictionary
- articulate vowels and consonants clearly
- place the right stress in a word
- distinguish differences in American and British pronunciation of common words

Our Methods

We believe in making the course interactive and fun by using a variety of methods. These include:

- Individual and group work
- Class discussions
- Role plays

Our Trainers

Our trainers are all qualified and highly experienced lecturers from Singapore Polytechnic.

Please note that we only specialise in customising courses for organisations; public courses for individuals are not available.
