## Testimonials - Introduction to Statistics and Quantitative Data Analysis

### **Fong Yok King**

"Mr Ng Jin Sheng is a very good lecturer, very knowledgeable and very patient to all participants. I totally enjoyed the 2 days course."

### **Simon Reynolds**

"Jin Sheng's good nature - approachability and sincere desire for the class to learn were outstanding. Jin Sheng's natural attributes as a teacher are in-built!"

### **Lai Siew Ying**

"Excellent trainer - engaging and cheery. Uses diagram effectively to explain abstract concepts. Makes a technical/theoretical course pleasant to attend. Keep up the great work!"

### **Lai Fook Ming**

"Jin Sheng is an excellent trainer who connects well with participants. He explains concepts clearly. Good Job!"

### **Victor Tan**

"Simple and easy to understand. Sufficient breadth and depth for statistical introduction. Good re-enforcing technique."
