

Inaugural CEO Breakfast Session jointly organised with LMI Singapore Pte Ltd

24 November 2015

On 24 November 2015, PACE Academy held its inaugural CEO Breakfast Session in collaboration with LMI Singapore. The event was held in Singapore Polytechnic, Tulip Room@Food Haven.

Two guest speakers were invited to share insightful experiences on transforming during challenging times.

The session provided a good networking and exchange of learning experiences from industry partners. More than 20 invited guests from 15 organisations attended the event.

Industry Guest Session

Transforming in Challenging Times

Mr Vincent Lim, CEO of BH Global Corporate Ltd shared his real life experience in his talk. The key takeaways from his session highlights the need for diversification, leveraging resources and identifying different drivers in times of crisis.

Transform & Grow

Mr Steven Loo, Principal Consultant of Stevenson Hureca Pte Ltd shared on “Transform and Grow” with transformational leadership style focusing on TEAR, namely :

Thought. **E**motion. **A**ction. **R**esults

Group Discussion

The two-hour session ended with positive takeaways and feedback from the invited guests:

“Great event and thanks for inviting”

“It's an honour be the speaker and sharing”

“Interesting group discussion”

“Good networking opportunity and platform to share information and challenges”

“This is a good event with good sharing practices from real exposures from the speakers”

Look out for more CEO sessions in 2016!
