## Testimonials – Advanced Business Analytics

### **Chua Chun Ser**

“Thank you! Appreciate the clear and concise lesson content and delivery. Most grateful to the instructor for his patience to explain complex concepts and for going the extra mile to answer other concerns/questions relating to the course.”

### **Hirman Abdullah**

“Jinsheng is highly knowledgeable, personable and patient. He is very committed to ensure learning transfer takes place and paces his lessons and prioritise areas of training according to students’ needs. He does not hesitate to spend time clarifying concepts; leaving participants satisfied that their concerns have been addressed.

### **Edmund Ang**

“Trainer is extremely knowledgeable and able to give good examples which helps in letting participants understand better. Ability to make a complex topic simple to understand.”

### **Vivek Palanisamy, Data Specialist**

“The instructor has an extra-ordinary knowledge on the subject. His smiling face never allows the session to be boring and has a lot of patience to answer all queries. Very professional and very polite.”
